Golden Twenties

ullstein bild :
Passion for Photography!

Flamboyant women
shaped the image of
the Golden Twenties.

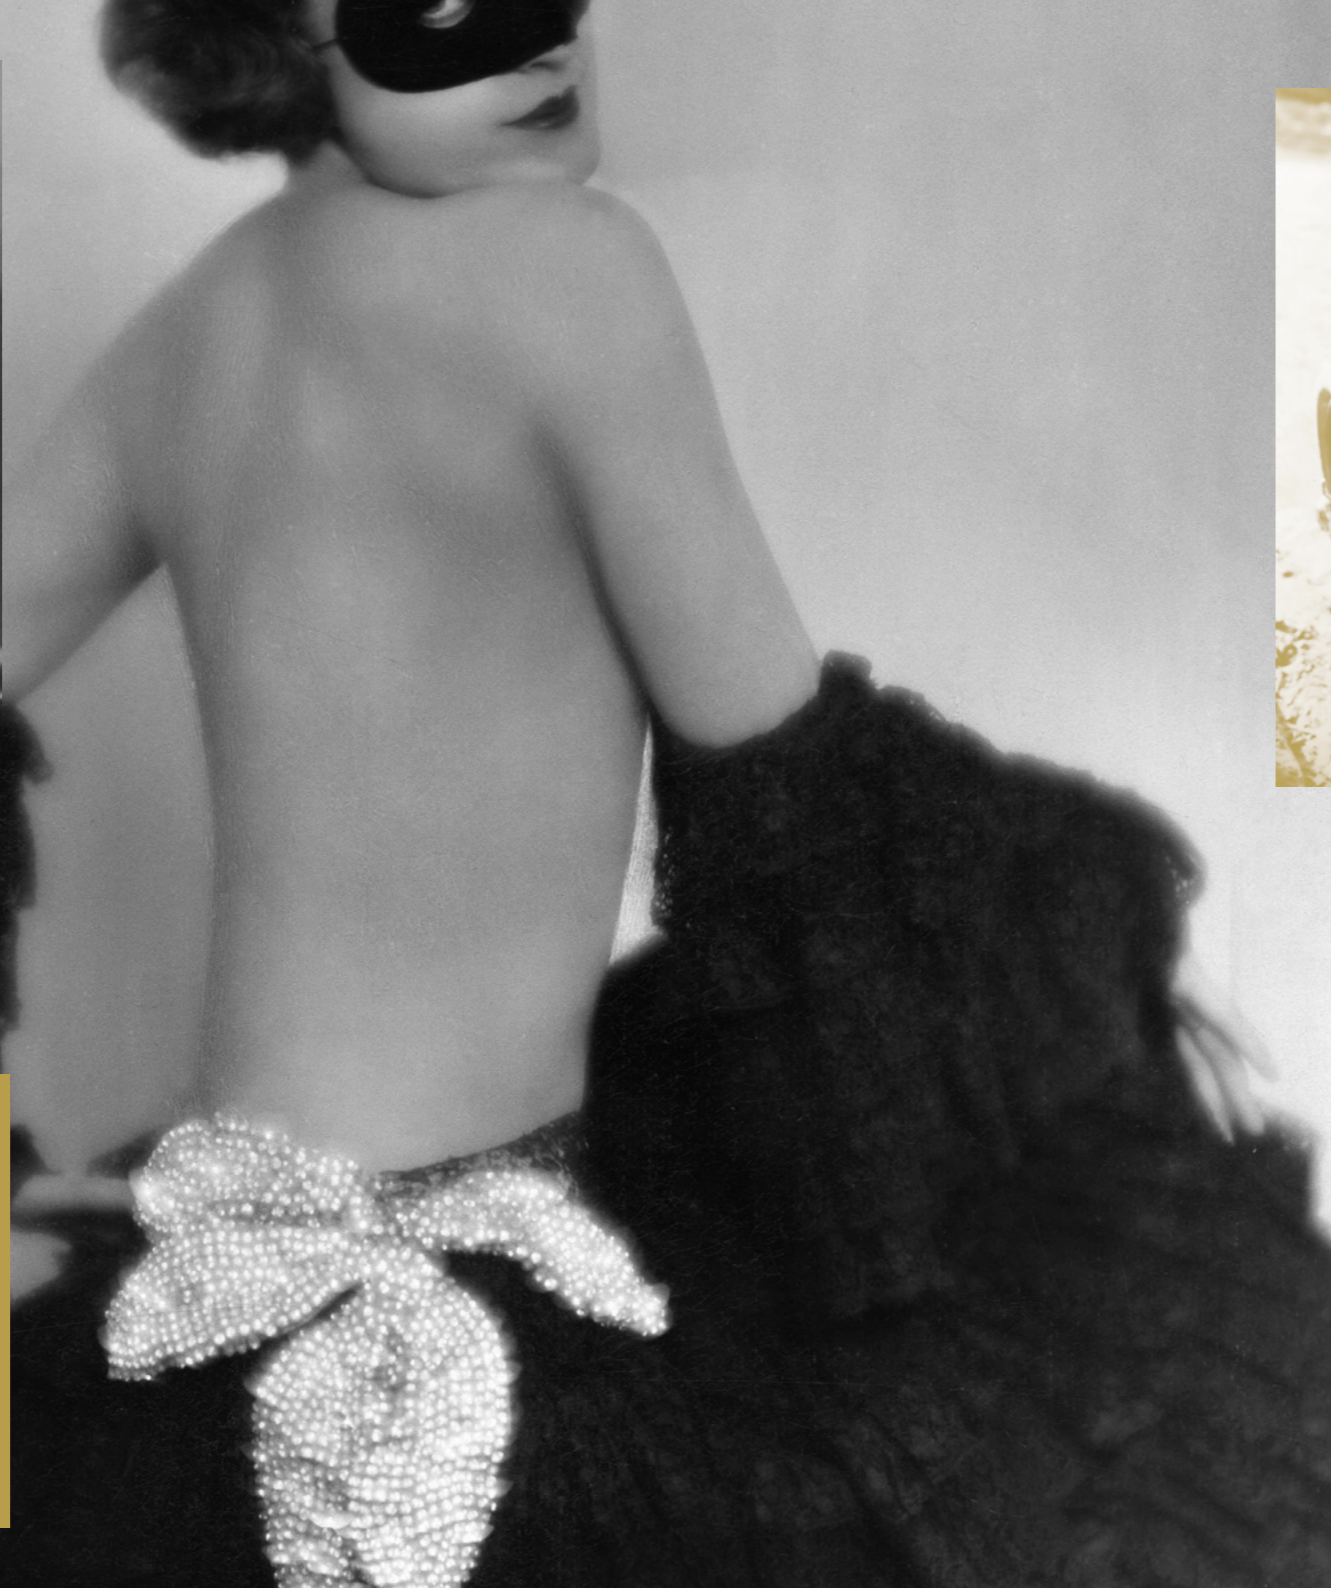

Emancipation and independence, fashion and elegance - in all their beauty.

Combined with playfulness and ease - the new way to enjoy life.

More or less...

...in all areas.

The Golden Twenties!

The years from 1924 to 1929 were characterised by vibrant city life, creativity, innovation and a new image of women.

ullstein bild takes a look at what this short and lively period was all about: fashion, art, joie de vivre and glamour.
